

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

HB 231 - SB 1243

March 12, 2021

SUMMARY OF ORIGINAL BILL: Decreases, from 30 days to 25 days, the time within which a health care institution must notify the Health Services and Development Agency (HSDA) of a change of ownership and provide documentation of the commitment from the subsequent owner to comply with all conditions placed on the original certificate of need and on the license.

FISCAL IMPACT OF ORIGINAL BILL:

NOT SIGNIFICANT

SUMMARY OF AMENDMENT (003799): Deletes all language after the enacting clause. Eliminates home care organizations limited to providing home care services under the federal Energy Employees Occupational Illness Compensation Program Act of 2000 (EEOICPA)(42 U.S.C. § 7384 et seq) from the requirement of a certificate of need (CON).

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions for the bill as amended:

- Based on information provided by HSDA, the Agency has received one application for a CON for a home care organization providing services under the EEOICPA in the past several years.
- Passage of the proposed legislation will not result in a significant decrease in the number of CON's issued; therefore, no change in fee revenue to the HSDA.
- No significant fiscal impact to state government.
